

Corrigendum

It is with reference to the Admission Brochure of B. Tech.(Evening) Programme & B.Tech. Programme- Lateral Entry 208-19. **In page no. 7**, it is written “Syllabus of Common Entrance Examination: Physis: Number and operation:”

It should be read as “Syllabus of Common Entrance Examination: Number and operation:”

For clarification syllabus of common entrance examination is given here:

Syllabus of Common Entrance Examination: Number and operations: Operations, ratio and proportion, complex numbers, counting, elementary number theory, matrices, and sequences; Algebra and functions: Expressions, equations, inequalities, representation and modeling, properties of functions (linear, polynomial, rational, exponential); Geometry and measurement: Plane Euclidean coordinate lines, parabolas, circles, symmetry, transformations, three dimensional solids, surface area and volume (cylinders, cones, pyramids, spheres, prisms), trigonometry right triangles, identities; Data analysis, statistics and probability: Mean, median, mode, range interquartile range, graphs and plots, least squares regression (linear), probability; General aptitude and reasoning: series completion, blood relation, direction sense, number, ranking and time sequence, mathematical operation, arithmetical reasoning, inserting the missing character.

Type of questions: MCQ

Number of questions: 90

Time: 2 hours

Marking Scheme: Every correct answer will be awarded four marks, and for every wrong answer one mark will be deducted.
